Ref: 29/42/43 dated 25th Jan 43 forwarding a copy of Lytham ARP Controller's letter as requesting sanction in the circumstances to the payment of rent for the premises mentioned at the rates noted against each.

A 1) Kind reference is invited to the previous letter
Z of the IGP and this office reply. It is noted that the ARP Controller proposes taking up a private building (complete with outhouses) at a rent of £75 p.m instead of the Co-operators Home. Certain portions of the proposed building have already been taken up for rent. Even a rent of £50 for the Co-operators Hall was considered high (vide Paras 17 & 18 of the correspondence below) since no expansion of the A.R.P programme is contemplated and in view of the present conditions it is for consideration whether a building on such a high rent is necessary now. The ARP Controller is stated that it is proposed to let out the rear two houses to ARP Drivers and the store keeper and accountant so that they may be on the premises always and that the first floor can be used as quarters for officers in time of emergency. In view of the above it is for orders whether sanction may be accorded to the payment of rent as noted.

CHIEF SECRETARY'S OFFICE 26 JAN 1943 GOVT OF MYSORE

Sir,

SUBJECT: Accommodation for the A.R.P.Office, Mysore.

With reference to paragraph 1 of your letter No.1234 dated 21st August 1942, I have the honour to forward herewith copy of letters No.ET.667 dated 25th November 1942 and ARPT.933 * dated 2nd/3rd January 1943, from the A.R.P.Controller, Mysore City, together with a copy of the plan of the building proposed to be taken on lease.

In the circumstances stated therein, I request that sanction of Government may kindly be conveyed for taking the building referred to therein on lease on a monthly rent of Rs.75/- from the date on which the whole building is taken.

I request that sanction of Government may also be conveyed for payment of rent for the periods mentioned below at the rate noted against each item.-

1) From 4-10-42 to 14-11-42 @ Rs.25 per mensem.
2) From 15-11-42 to 31-12-42 @ Rs.37-8-0 per mensem
3) From 1-1-43 to the date of handing over the complete building @ Rs.50/- per mensem.

* Overleaf

Letter No.ET.667 dated 25th November 1942, from the Air Raid Precautions Controller, Mysore City, to the Inspector General of Police in Mysore, Bangalore.

Regarding A.R.P.Office, Mysore City.

With reference to your memo No.AC.290/42-43, dated 26th August, 1942, forwarding a copy of G.O.No.1234/W dated 21st August 1942, regarding accommodation for the ARP Office for Mysore City, I have the honour to state that the President, the Mysore Co-operative Institute was again addressed in the matter of revising the rent in view of the above G.O. He was however agreeable to the revised rent of Rs.40 per mensem for the Assembly Hall of the Mysore Co-operators' Home but he wanted to reserve portions even here.

Again some partition walls had to be necessarily put in the hall to make it fit for ARP Office and accordingly a plan with proposals was sent to the President, Mysore Co-operative Institute for his informatio

This would have cost us quite a good bit. In view of these difficulties the idea of taking up of this hall was given up and another convenient building in the vicinity of the Municipal Offices was selected. This building belongs to one Mr.T.Cheluvachar, and is situated in Chamaraj Road, Mysore City. The building is very spacious and has got first floor also with two out houses which can be used as quarters for officials. There is sufficient room within the site for putting up some garages for stabling ARP vehicles.

The owner of the building demands a monthly rent of Rs.75 P.M. for this building including the out houses and I consider this reasonable. I request that sanction may kindly be obtained for taking this building on lease on a monthly rent of Rs.75 only from the date of occupation.

It is proposed to let out the rear two houses to ARP drivers and the store keeper or accountant, so that they may be on the premises always. If necessary the first floor can be used as quarters for officers in times of emergency. I therefore request approval to take the building on a monthly rent of Rs.75 when completed (it will take a month more to complete). For the out houses only which we took from 4-10-42, a rent of Rs.25 per month will be paid and for the out houses, and ground-floor Rs.50 and Rs.75 for the whole building when completed. This may kindly be approved.

Letter No.ARPT.933 dated 2/3rd January 1943, from the ARP Controller, Mysore City, to the Inspector General of Police in Mysore, Bangalore.

Regarding rent of new ARP. Office, Mysore City.

With reference to your letter No.AC.290/42-43, dated 3rd December 1942, I have the honour to enclose herewith a sketch plan of the building which is taken for the ARP Office on a monthly rent of Rs.75. The out-houses were taken from 4th October 1942 and a rent of Rs.25 will have to be paid for these from that date. The main building has the ground floor and the first floor, identical in all respects. In the plan, only the ground floor is shown. The two rooms in the ground floor marked "A" and "B" were taken from 15-11-42 and the ground floor was finally occupied from

1st January 1943. So, rent will have to be paid to the owner of the building as noted in the margin. *

* a) From 4-10-42 to 14-11-42 at the rate of Rs.25 per mensem
b) From 15-11-42 to 31-12-42 at the rate of Rs.37/8/- per mensem
c) From 1-1-43 up to the date of handing over the complete building, at the rate of Rs.50 per mensem.
d) From the date on which the whole building is taken at the rate of Rs.75 per mensem.

I request early sanction for the above.

Temporary motor sheds for ARP vehicles will be put up for accommodating our vehicles, making use of old materials available in the Trust Board. A separate letter will be addressed regarding this.

CHIEF SECRETARY 27.FEB.194 GOVT. OF MYSORE

With reference to your letter No.3276/W., dated 28th January 1943, I have the honour to enclose herewith a copy of letter(*Overleaf) No.ARP.T.1179 dated 5th February 1943, from the A.R.P.Controller, Mysore.

In the circumstances stated therein, a smaller building on a lesser rent does not suffice for the A.R.P.Office at Mysore.

Accommodation for A.R.P.Office, Mysore City.

With reference to your letter No, AC.290/42 dated 30th January 1943, forwarding a copy of letter received from the Chief Secretary to Government, I have the honour to state that this building is the A.R.P.Headquarters and is used as combined A.R.P.Office, Stores and class rooms for the trainees and accommodation is provided for the offices of the A.R.P. Engineer, Doctor and Assistant Controller. In addition, various ARP vehicles such as Ambulance, Rescue lorries, trailer pump van, etc., will be kept here. The building has therefore to be sufficiently big to provide all these.

The present building is just sufficient for our purpose from all points of view in addition to its favourable location being in the heart of the City and very near the Municipal Office.

Further, there are not other suitable buildings near about on a smaller rent. The rents in Mysore have also gone up high. As a matter of fact this building has really been given to us at a concession rate.

In the circumstances stated above, I request that sanction for the proposals already submitted may kindly be communicated early.
